

Our mission: To cultivate innovative learning opportunities that inspire and motivate Haverford Township students.

*“To learn is to  
light a fire;  
every syllable that  
is spelled out is  
a spark.”*

*Victor Hugo*

*To thank you for your outstanding contribution to my education, a donation to the Haverford Township Education Foundation was made in your honor. This donation will be used to fund new foundation grants for innovative and creative learning activities in our schools.*
